MAYNARD'S POINT OVER-RULED

Crozier, Ludwick Elderson, James Doherty and Henry Heystek were sworn and all testified that they were at the lake Sunday and stated Henry Bulber's place. They are visited Henry Huber's piace. They saw an immense crowd there and all were drinking at the tables or at the bar. Mr. Maynard, on cross-examination, did Mr. Maynard, on cross examination, did not seek to dispute the testimons but sought to show, and did show, that the cars, shops, boats and stands were just as busy as Mr. Huber. The prosecuting attorney objected to the testimony. He said they were not trying the Street Railway company, nor the owners of boats for violating the Sunday laws, but the court overruled the objection and the testimony was taken. The object of the cross-examination is probably to get things in shape to procedute all who do business on Sunday at the lake, in case Mr. Huber is convicted. It is stated that the liquor men will see that all Sunday laws are enforced if they are forced to close on Sunday. The defense will put in its testimony today.

Dr. M. J. Davis is a prominent physician of Lewis, Cass county, lowa, and has been actively engaged in the practice of medicine at that place for the past thirty-five years. On the 25th of May, while in Des Moines en route to Chicago, he was suddenly taken with an attack of diarrhesa. Having sold Chamberiain's Colic, Cholera and Diarrhesa Remedy for the past seventeen years, and knowing its reliability, he procured a 25 cent bottle, two does of which completely cured him. The excitement and change of water and diet incident to traveling often produce a diarrhesa. Every one should procure a bottle of this remedy before leaving home. For sale by F. J. A Contractor's Advice.

A Contractor's Advice.

Dullam's Medicine Co.—Gentlemen:
I take great pleasure in testifying in behalf of Dullam's Great German Blood, Liver, Stomach and Kidney Cure. I can safely say that I never took such medicine as that to cleanse the liver, stomach and kidneys. I was suffering for years with biliousness, indigestion and loss of appetite and sleep. One bottle did for me more good than six months' other treatment, and I feel it my duty to testify in its behalf, so others may try it and get cured.

Yours Truly,
